My thanks to those who offered the use of their cars for the Drivers' Tour at the Laguna Seca Can-Am. How would you like to try to average 114 mph around that thing -- especially after looking down from turn 6A?

*** * * * * * * *

This is my last and final reminder to get everyone to vote this year. Your ballot must be postmarked by November 15th -- so do it NOW, while you're thinking about it. Write-ups on the nominees appear in the last issue of the NUGGET.

*** * * * * * * *

The 91½, 914/6 is almost upon us. See it at the San Francisco Imported Car Show November 4-10 -- and at our November Tech Session on Saturday, December 6th. Many GGR members have already ordered theirs. Be the first on your block to wipe out a 912 with a VW engined vehicle!

*** * * * * * * *

Dwight Mitchell was found alive and busy -- slamming his door all the way around Laguna Seca.

*** * * * * * * *

Sorry about all those who missed the first football practice. I'll bet you didn't know that I had Y. A. Tittle, Brodie, and Monty Stickles on my team. Hope to see all you "J" types out on November 2nd.

See you at the rallies!

Autocross

The last in our 1969 series of autocrosses is scheduled for November 16th at the Salinas Airport. Once again we're co-hosting this day with the Monterey Bay Region folks and we should have a great course. The event will be manned by Golden Gaters this time so please do come out early and lend a hand. Bob Garretson is our chairman this time -- so let's give him a hand and make this autocross the best yet!!

Take the Salinas Airport turnoff from 101 in Salinas and swing over the freeway. You can't miss it. See you all on the 16th!

RALLY

The "Turkey Shoot"

The "Turkey Shoot" rally will test your "Odometer and Timing Marksmanship." Come to our 12 o'clock Rally Techniques class. This class is intended to answer all your questions and provide all the information necessary to allow the novice to become "Instantly Competitive."

The rally will start promptly after the class. Awards will be given through the fifth place.

WORKERS WANTED: no experience necessary. Call Chuck Tracy, (408) 227-5629.

DATE: Sunday, Nov. 9th

START: GUS MOZART PORSCHE

1766 E. Embarcadero

Palo Alto

TIME: 12 NOON

EQUIPMENT: working odometer, pencil or pen, clipboard, and wristwatch with a sweep second hand

* Park on Faber Street adjacent to the dealership. The classroom is upstairs over the service area (mechanics' lunch room).

Christmas Party
**Activities**

The fact that Christmas shopping is just around the corner doesn't mean that the year is over. We still have a full calendar to keep everyone happy.

By the time you receive this NUGGET, the first of our new rally series will be history and everyone will be getting ready for Number 2 - which will be held Nov. 9th starting at Gus Mozart's dealership. The last of the series is scheduled for Dec. 7th.

Football is a new departure for the club members, but it seems to be enjoyed by many. Several have gotten together for a few practice sessions to get ready for the Championship Playoff -- called "The Porsche Sediment Bowl" -- on Nov. 2nd.

Our Tour Chairman, Karl Keller, is providing a most unusual Gourmet Tour on Nov. 23rd. If you have missed some of our other tours, don't miss this one.

The auto-X series is rapidly drawing to a close as there is only one more event to earn points for those year-end trophies. Bob Garretson has put together a great course to end this always-popular series. Hope to see you all on Nov. 16th at the Salinas Airport.

Bob Sheldon's tech sessions will be climaxed on Dec. 6th with the introduction of the 914 at P.C.F.

Remember, there are still lots of activities, so come on out and join the fun!

- Bob Wagner -

**Tech Notes**

The November Tech Session will be held - you guessed it - Saturday, December 6. This appeared somewhat easier than rescheduling Thanksgiving! The location is the NEW Porsche Car Pacific facilities, 7100 Johnson Industrial Drive, Pleasanton, which is at the intersection of routes 580 and 680, just off the freeway.

The subject will be Porsche models for 1970. This will include a 914 model on display and all the details. Space is limited; therefore, reservations are mandatory. For reservations and starting time call Bob Sheldon, (415)968-6486.

Is the rumor true that dealer volume in tune-ups increased substantially after the September tech session???

**Porsche Evolution**

On September 20th, seven cars from GGR drove to San Luis Obispo to join in on California Central Coast Region's first open event. The event was "Porsche Evolution" -- a display of Porsches old and new -- at the Madonna Inn Shopping Center.

The Wests, Korngold(s), Hollises, Wagners, Ioakems, Hancocks and Lohses joined 30 other Porsche owners in this fine public appeal event. Best car through public opinion was Jim Masini's from Monterey Region. Second by only two votes was Jim Ioakem's baby silver speedster -- for which he won a giant ham. Oldest car of the show (and its first trophy) went to Grace and Marshall West with their 1951 coupe. Longest distance was almost won by the Wests, but went to a gentleman from San Diego Region.

This was a fine event -- especially for a brand new region -- culminating in a champagne blast at the Madonna Inn. Our thanks to the Central Coast Region for having us down.

**Wine Tour**

About 40 Porsches congregated at the Town and Country Shopping Center in Mill Valley on a lovely Sunday morning to take part in the North Wine Tour. Chairman Frank Granata led the group out at about 10 AM, and we reached Korbel's champagne cellars without incident. The tour was informative, and the tasting superb.

And then we started for Saint Helena. It seems that a few DI's got in the line of Porsches somewhere near Calistoga -- with the result that about a third of the tour missed a turn and continued up Highway 29 in the general direction of Clear Lake. Since most of them didn't know the area too well, the group was thoroughly lost and bewildered (except Barbara Rose, who knew her way around, but couldn't get anyone to pay attention) when Karl Keller arrived. He, too, had missed the turn -- but he at least had driving instructions of a sort. So the route was retraced (behind 5 campers!), the proper turn located, and we finally rejoined our fellow wine tasters at Frank's home for a marvelous dinner....and a goodly amount of teasing over our skill at touring!!

Many thanks to Frank and his family for another in their continuing series of outstanding PCA wine tours!!

Boulder Creek Campout, August 2 & 3
GALLERY

Porsche Evolution Show in San Luis Obispo on Sept. 20th
Roaring Camp and Big Trees Railroad provided a fun-filled day for more than 110 PCA members and their families on September 28th. The 1880 vintage train got us to the top of the mountain and back down again. (The track layout would make a fantastic hill climb course, especially that corkscrew trestle!) The train left at 11:00 sharp and surprisingly enough only left behind two reservations, the "Watson's" and the Neidels. George N. had to take the back route with their new VW bus, and Mike "W." decided to take a corner fancy and ended up with a bent axle.

There were many new and old faces at the picnic. Perc Bliss, past president of GGR in 1960, was entertaining his "whole" family - about eight adults and grand kids. Dick Spear could be seen sleeping on a bench while the more active (or nuts) males participated in a football game. It was one of the many opening games of the season. "Wagner's Whirpools" stomped "Hancock's Hurricanes" 14-7. Yes, Dave was out there again trying to break his back.

The children had fun in the creek while the parents prepared lunch. Mary Fisher could be seen slaving over the B-B-Q with his standard chicken. After lunch, while some nursed their shoulders and backs, others were at it again with Zaccone's frisbee. Dwight Mitchell must train his girls in the art of frisbee-ing; they were trying to beat us all.

I would like to thank everyone who participated for making the event so successful. We had members attending all the way from Livermore, Antioch, Sausalito, and further.

Gourmet Tour

Attention, Gourmets! This year GGR is reviving a very popular event: a tour through the beautiful California countryside, which ends with a truly gourmet feast. This year our hosts will be Ming's of Palo Alto, who plan to serve us a Cantonese banquet that should satisfy any gourmet's palate. For a real dining delight, don't miss this year's Gourmet Tour.

For further details, see the ad on page 5 of this issue.

- Karl Keller -
Weather for the Ninth Annual Sports Car Olympics at Squaw Valley was clear and sunny. The concours was to begin at 1 PM, and all our Porsches were ready, gleaming in the sun. Unfortunately, judging began about 4 PM. One entrant observed on his registration form, "This car was ready at 1 PM." Mr. and Mrs. Gerry Freck judged two classes containing Porsches and were treated to scrutiny usually observed at Porsche Parades.

Winners were (points out of possible 100):

**CLASS A**
- 85 Anderson/Salter
- 60 D. & M. Cassidy

**CLASS B**
- 61 Gaeta/Brewster
- 51 Reinhard Reidel

The Sports Car Quiz was a stinker — who cares how many gallons of gas go into a Firebird? Charmayne Salter took a first overall for the ladies and Bruce Anderson took third overall for the men.

The gimmick rallye began Sunday morning at 8 AM, covering unusual residential roads and the old Donner Summit highway. Try zooming up the Summit road looking for signs behind bushes and under rocks! None of our group took trophies, but we had some solid 4th, 5th, and 6th place scores.

Autocross I was a long course covering two parking lots with a dead end on the upper level. By the way, sea-level Porsches do not run well at 8,000 feet!

**CLASS C**
- 1st Arlen Riggs

**CLASS D**
- 1st Terry Zaccoone
- 2nd Bruce Anderson

**CLASS E**
- 1st Judy Zaccoone

**CLASS F**
- 1st Jim Gaeta
- 2nd Bob Daves

**CLASS G**
- 1st T. & J. Zaccoone

**CLASS H**
- 1st Vaden Riggs

The Funkhana had an interesting twist. How many of you trust your navigator enough to let him guide your driving while blindfolded? The team of Daves and Ragel took a first in their class with an outstanding time.

T & D Rallye took place at night with the Donner Summit road again on the route. Bruce Anderson and Charmayne Salter took a first in their class with Bob Daves and Dale Ragel just behind. Jim Gaeta and Linda Brewster placed second in their class while Reinhard Reidel was disqualified with a beautiful score and a second place for having an unregistered navigator.

Autocross II on Monday was a slalom-type, something new to some of us. Not a bad idea for an autocross after a dinner meeting on Saturday night, with only 20 or 30 pylons to set out. Terry Zaccoone, Bruce Anderson and Reinhard Reidel took first, second and fourth respectively in their class. Dale Ragel and Bob Daves placed one-two in their class, while Charmayne Salter and Judy Zaccoone were first and second for the ladies.

Overall awards, based on best scores for five out of six events, points shown out of 500 perfect score, went to our members as follows:

- 1st Dale Ragel 458.710
- 5th Bob Daves 425.897
- 6th Bruce Anderson 425.192
- 8th Terry Zaccoone 412.082
- 15th Judy Zaccoone 390.735

Dale Ragel — and if you don't know, he's Bob Daves father-in-law and doesn't own a Porsche — also won the Porsche Marque award (donated by our own Joe Reitmeier).

Even with only a few of our region attending, you can see that Golden Gate was well represented.
