President's Message

The major results of the Nugget survey are:
1. Keep the Nugget at the quality level it is now at.
2. Do not penalize the active members by charging more at events.
3. A membership surcharge would be acceptable. The review committee felt that the surcharge should be held as a last resort. Instead, we are going to investigate the practicality of accepting advertising as support for the Nugget. The committee, headed by Paul Scott, would appreciate hearing of any interest by anyone who would consider advertising in our publication.

Dwight Mitchell was found alive and well at Cotati.

In an effort to provide you with a well-rounded activity schedule and to provide more complete training for the upcoming Parade, we will get to you the NCSCC Rally Schedule so that you can get a few practice licks in before the Parade in June. Golden Gate Region has been notorious for our rally performance...let's ruin the image this year.

Does anyone have space to store a Porsche for about a year? A Captain of the Air Force is sending me an extra one from Germany while he goes to Viet Nam for a year and he would like it stored on the west coast until he returns. Anybody?

We had one of the finest Gegen Die Uhr's ever on March 16. Our thanks to Barbara Rose and all the workers for setting an NCSCC record of 320 cars at a championship autocross.

Tech Notes

The April tech session will be held Saturday the 26th at Gus Mozart Volkswagen-Porsche, 1766 Embarcadero, Palo Alto (near the Palo Alto Airport and Ming's). The first part of the two part session will be a discussion of the 1969 Parade rules by Paul Scott. The remaining portion will be a concours clinic led by Lou Marable, Brian Carleton and Dwight Mitchell. Those attending the '69 Parade, and in particular those trying for an overall award, cannot afford to miss this one. Call Bob Sheldon for reservations.

Speed Events--Thanks to Brian Carleton, Jerry DePew and Bob Little of Monterey Bay Region, we have 3 different sites for club autocrosses. We have a full calendar for the year. Listed below are the dates for both practice autocrosses and those counting for series awards.

April 27, Ampex, Practice, Redwood City

Club Windbreakers--The response to our new club windbreaker has been tremendous. At the rock bottom price of $8.00 Chuck Tracy is unable to mail them to you, so plan on picking up your new jacket at any club activity.

The gold jacket with the Porsche Patch costs $8.00. Sizes are small, 34 to 36; medium, 38 to 40; large, 42 to 44; extra large, 46 to 48. Let's show off our region--everybody buy a jacket.

Mail checks to Chuck Tracy, 6224 Current Dr., San Jose, 95123.

Club Scrapbook--We need photographs, colored, black and white, polaroid, anything that pertains to the club. How about some old Nuggets, dinner menus, bulletins. Send what you have to Pat Weitzel, 159 Terrace Ave., San Rafael, 94901.

Club Banner--Has anyone seen our club banner? It is a big flag with the PCA emblem on it. Give me a call and I'll come and get it. We would like to hang it up at dinner meetings and autocrosses.

New Members--Would you like to join one of our many committees? We have a touring, rally, picnic, speed events, technical, and women's committee. Call me at 245-7456 and we will sign you up to work with a great bunch of people.

Parade Guidelines--A condensed version of the Parade Guidelines (only 8 pages) has been printed for those interested. Paul Scott will have about 50 copies available, so send Paul a self-addressed envelope with 12 cents postage and he will mail you one. Remember, there are only 50 copies, so pass them around.

Attn: N. J.

As many of you know, we have been here in California because Rick has been a graduate student at Stanford University. Rick has now completed his degree and he has accepted a job with Bell Telephone Laboratories in Murray Hill, New Jersey. We, unfortunately, will be leaving this lovely California climate the end of April (only after we go on the Yosemite tour, of course)! The Porsche Club and its members have made our stay here very enjoyable. We have met so many wonderful people, have participated in so many well organized events, and have learned a great deal about our car. We can only hope the Porsche Club in New Jersey is as much fun. If any of you are in the Plainfield, N.J. area, here is an open invitation to drop in to see us.

Rick and Laurel Townsend

When Dave Hancock was treasurer of GGR a few years ago, he got up to give a treasurer's report at a dinner meeting. He said, "I just bought myself a new 911." He then returned to his seat. In view of the fact he now lives in a new house, the following poem is dedicated to treasurers and presidents.

"There came from Porsche land, Hancock the treasury man, He bought a new car, Said,"so good so far," When I'm president I'll buy a new house."

FOR IMMEDIATE RELEASE

You may have already won! Well not quite, but your chances are probably better than any other contest you may have entered.

You see! this contest is only for Porsche Pushers and members of P.C.A. to be exact. All you have to do is identify the emblem which has been chosen as the "trade-mark" for the 14th Porsche Parade. What does the shape represent? That is the question. The member who has the first correct answer postmarked before May 10th 1969 will receive a paid in full registration to the 14th Porsche Parade. This fabulous prize, amounting to the astronomical sum of $25.00 is limited to members of any region of P.C.A. other than the Orange Coast Region.

Just take a long look at the emblem, think Spanish, and remember the fact that this emblem was borrowed from one of the largest original Spanish land grant ranches in Southern California. Those are all the clues you'll get from us. Jot down the answer on anything convenient and mail your guess today to the 14th Porsche Parade. P.O. Box 542, Westminster California 92683. You might include your registration to the Parade too for we'll be glad to refund your prize to you if you win. Start making your plans! Pack the Porsche! Put out the cat! Lock the garage door and come on out for the most wonderful vacation in Sunny Southern California, you can imagine.

Who knows! YOU MAY HAVE ALREADY WON!

Before leaving February 17 for a two week ski trip to Alta, Utah, I called the past president of the Intermountain Region, Gerry Weyer. He was very helpful in giving me information on how to set up my "912" for two weeks in "zero" degree weather. During our conversation, I asked him if he would like to see the movie the Golden Gate Region made with Don Westor. Two days later he called me back and told me that he had scheduled a special meeting in Ogden, Utah to show the film.

After skiing for ten days in 5' 7" of fresh powder snow in Alta, (I'm only 5' 6" tall so I had problems), I headed up to Ogden. They welcomed me warmly and had many questions about the GGR. They seemed very excited during the entire movie and this excitement continued throughout the meeting. I discovered the Intermountain Region is quite competition minded. They are very interested in Autocrosses and driving schools—they have two drivers schools scheduled for this year already, and attempting to arrange more. This could only mean one thing. The GGR might have some trouble at the PORSCHE Parade with some "lead footed" Utahans.

I cannot say enough about the friendly greeting I received and I think about it often. Before I left, I had two invitations for lodging that night, but the call of Las Vegas was a little bit louder. I left with many handshakes and feelings of gratitude.

As I drove south to Las Vegas, I couldn't help but think, while dodging Jack Rabbits, how great it is to belong to the P.C.A.

Board Meeting

The following is a summary of the March Board of Directors meeting. It is not a complete report of all items discussed, but an attempt to relay the highlights and information of interest to the general membership.

Dick Spear was introduced by Dave as our new Membership Director. Dick replaces Gary Evans, who had to resign to give more time to his business interests.

The 1969 Christmas Party will be held at the Hall of Horns.

The possibility of a Porsche Hill at Sears Point is being discussed with Redwood and with Sacramento Regions.

Yosemite Region is in need of a revitalization, so several Board members are going down to their April dinner meeting at their invitation to talk about our activities and to help them stir up more enthusiasm.

The National Board meeting will be April 19 in Dallas. We will be represented by Lou Marable and the main topic of discussion will be the bylaws. Our Board will review them at their April meeting.

It was announced that Barbara Rose won a stereo in a radio station contest. Congratulations again, Barb.

Special reports were given on the Nugget and the Regional budget as it relates to the Nugget.

The next meeting will be April 4th.
