and mail it to:

Chuck Tracy
6224 Current Drive
San Jose, Calif., 95123
(408)227-5629

LOCATION:

1970 DINNER MEETINGS:

This year's dinner meetings were determined from the percentage of members in each county making up the Golden Gate Region. Hence, Alameda County will have two dinner meetings; Contra Costa, one; Santa Clara, five; San Francisco, two; San Mateo, two.
LAGUNA SECA RACES - FREE
(almost)

A season ticket for the Continental Championship F/A, Trans-Am and Can-Am races -- including grandstand and paddock access -- will be raffled off during the April meeting (attendance not required). Raffle tickets will go (only to members) for 50¢ apiece. Any excess collected over the $50 ticket cost will be used for this year's dinner meeting fund (i.e. door prizes, decorations, etc.).

The contest begins with this issue of the NUGGET. Your name and telephone number will be written on each coupon and placed in the drawing container. A record of the number of tickets purchased by each person will be kept up to the drawing time.

Buy coupons at the February, March, or April dinner meetings, or send check(s) payable to PCA-GGR to:
Chuck Tracy
6224 Current Drive
San Jose, Calif., 95123

Pleasanton Auto-X

The first autocross of the 1970 season will be held Sunday, February 15th, at the Alameda County Fairgrounds in Pleasanton. Starting time will be 8 AM.

This will be the first event using the new classes and rules that were outlined in last month's NUGGET. These new rules reflect the recognition that racing tires and skillful driving are more important factors than horsepower or what model of Porsche you drive. The pristine Porsches will have a set of classes all to themselves. The cars that have been defiled by surreptitious means and clandestine owners can surreptitiously face one another without intimidating truly stock cars.

Brian Carleton will be the friendly clubber in charge of this event. He will be ably assisted by two elves, a gremlin, an automatic schauzenger detector and hordes of other friendly types which I hope will include YOU.

- Bob Buckthal -

Tour to Carmel?

How long has it been since you've loaded the BW or BGF into your mechanical marvel for a leisure scenic drive to Carmel, and spent the afternoon just browsing -- tantalizing your sinuses with malodour essences in the candle shop, digging through a maze of merchandise in the straw shop looking for a hat to wear at the races next summer, discovering latent abilities in the field of art critiquing as you wander through the many galleries and display shops, discovering an intimate little cuisine for an epicurean's delight.

You can do all this, and more if you wish. Join your Porsche friends for a Tour to Carmel.

DATE: SATURDAY, February 28th

START: San Jose Hyatt House
1740 North First St.
at the Bayshore Freeway in San Jose

TIME: 9:30 AM -- "and leave the planning to us"

A nominal charge of 50¢ per car will be made to cover the expense of tour information sheets, pre-running the tour route, etc.
Porsches and VW buses are heartily encouraged to join the tour. Detroit wagons will be tolerated. Make up a party. Bring the kids. Pack a picnic lunch, if that's what your group wants to do -- and start this year of 1970 (GGR's 10th anniversary according to our lanky leader) the PCA way.

See you there..... - Paul Scott -

Tech Notes

Has your automatic schauzenger detector malfunctioned? Are your pistons changing holes? PCA is a marque club. Therefore we are faced with somewhat similar problems. I may not have the answer, but, with 575 members, I'll bet someone has been there. With the advent of the 914 we'll all have something to learn (by all reports, it should be a screamer!).
Porsche problems should be of interest to all of us. Most of us have found a short cut, a friendly replacement part, etc.....How about it?

As your Tech Director I will try to maintain a current list of Porsche parts available or needed. Feel free to call.

For those of you whose wives are jealous of your Porsche, your letters will be answered in a plain brown wrapper.

- Bill Weitzel -
**Prez Sez**

Porsche-Year 1970 is on its way. Your Activities Chairman, Karl Keller, has gathered together a fine slate of committee chairmen to organize all the events for the coming year. Keep in mind that they still need your support to carry off what is planned for the club - so feel free to volunteer for any event you would enjoy assisting in. We have tried to make the rules of competition more equitable for all participants... come on out and exercise that Porsche!

*** *** *** *** ***

For those who are rally minded, Golden Gate Region needs your aid in working on our first public service event. March 14th is the date for GGR to entertain the Boy Scouts of America with a T & D Rally. This is a national event held on the same day, ours being for Santa Clara County only. If you are able to help on the 14th, please give Karl a call - we want this to be a fun and well-run event. More details will be in the March NUGGET.

*** *** *** *** ***

During February, if it can be arranged, your GGR Board will meet with Porsche-Audi West in a general get-to-know-each-other session. If anyone has any questions or policies you want us to bring up with P.A.W., let us know in writing by the 10th of February. We'll do our best to get an answer for you. For that matter, I am sure they would be happy to receive any direct inquiries from the membership. We are all interested in furthering the marque of Porsche.

*** *** *** *** ***

Speaking of February - what with all the rains, etc., we are having a SWAP-SESSION to allow you to barter away your useful but not needed spare parts. Dig through your parts bin - you might be amazed at what you'll find. Bring out the goodies!

*** *** *** *** ***

In case you are wondering when we are going to have a new Roster - hold off for three more months. As soon as all the renewals are in, we will print our annual (from now on) roster. Expect this in the mail sometime in April or May.

*** *** *** *** ***

The 914's are here!!! By the time you read this, all Porsche-Audi dealers should have one 914. You can bet they won't be for sale - as they may have only one - but take a good look if you haven't seen one yet.

*** *** *** *** ***

Finally, the monthly Board meetings are open to the membership for you to come and observe or present some idea you have. We only ask that you do call in advance - none of us lives in a Cow Palace.

- Dave Hancock -

---

**Gegen die Uhr**

"Against the clock!" That's the name of our annual professional (open-type, money-making) NCSCC Championship Autocross, and the eighth edition is just around the corner on March 22nd. The worker teams are being organized now, and the more hands able to carry the load, the lighter it is for all. If you are not now on a worker team, call Dwight Mitchell (968-8445), Arlen Riggs (657-8139), or Karl Keller (225-4837) for information leading to your nearest induction center.

And "Gegen" is not all work. The Pleasanton Fairgrounds provides the facilities for a pleasant family outing on a Sunday afternoon with picnic grounds, roller skating rink, play grounds, and refreshment stand. Everyone is also eligible to run in the autocross. In just "STOCK" category alone, there are three separate classes for Porsches, and very good chances for trophies. ("STOCK" for Porsches includes Bursch or Empi type exhausts, 5½" wheels on 912's, and up to 6" wheels on 911's.)

Do plan to come out and lend a hand. We'll work a little, fun a lot, and spend (just what we've always wanted) a really "meaningful" Sunday.
New Region!

There is a new region forming in Santa Cruz County. Anyone interested in joining can call Diane Uchytil at (408)353-1314. You don't have to live in Santa Cruz County to join.

Curfew On Calls

It would be greatly appreciated by your Board of Directors if you could limit phone calls to Board members to no later than 9 pm. Thank you.

Your Board of Directors

What Is PPPR??

How would you like to be the only active PPPR in the Golden Gate Region? PPPR = Publications
Publicity
Public Relations

PPPR is a national PCA effort to inform the membership of such things as meeting places and times, events, promoting, the Porsche Parade and Weekends; and making the general public (especially non-member Porsche owners) aware of the purpose of PCA through the various media -- radio spots, notices in newspapers, articles in national magazines and film for television.

I'm sure that some of you would be interested in being GGR-PPPR for the 1970 calendar year. If you are interested or have questions, please contact me before the February 6th Board meeting: (408)225-4837.

- Karl Keller -

'70 Activities

The response from you at the Christmas Party and the January meeting for activities committees was almost overwhelming. Every activity committee now has sign-ups in sufficient numbers to get our 1970 activities off to a flying start. There is still plenty of room on all committees for more help.

Signing up doesn't mean that you will have to spend many hours attending committee meetings. Even if you just want to help with the organization or running of one or two events, please sign up for the type of activity that interests you the most.

For you new members who feel like you are on the outside looking in -- try signing up to work an event or serve on an activity committee. That's the best way to meet and get to know your fellow Porsche-Pushers.

Now that you are all so eager to sign up that you can hardly stand it, here are the chairmen of the 1970 Activities Committees. If you can't sign up at the dinner meetings, please give them a call to let them know your interests.

In most cases, you will be able to take part in the event that you are helping to work. Whenever possible, we try to rotate work crews so that you can have a little fun too. But if no one works, there's no event for you to run -- so do your part to keep our very active club going strong!

- Karl Keller -
WASHINGTON'S  
BIRTHDAY  
FEB 22nd  
SWAP SESSION  

TIME: 10 AM till 2 PM
LOCATION: WEBER MOTORS, INC.  
1940 Washington  
San Leandro
DIRECTIONS: From the Nimitz Freeway,  
take MARINA BLVD. EAST exit.  
Left at the second signal.  
1½ blocks to Weber Motors.

SPRING CLEANING TIME!!!  
Turn your dirty old parts into cash!

It's time to dunk those relics in some  
solvent so they can clutter up someone else's  
garage. Trade in your mother-in-law's Xmas  
gifts, jewelled mud flaps, mink steering wheel  
covers, or anything useful(?) for your Porsche.

we never tell a lie  
this will be the best yet  
come early - stay late & bring all your Porsche parts
Trophy winners were selected from an average of the total participants in all five series autocrosses. Our autocross rules state that there must be two people in a class for a trophy to be awarded. This explains the lack of trophies in three of the women's classes. Because of this ruling, there were some competitors who participated in all five events and did well in their classes, but could not receive trophies. Therefore, dash plaques were awarded as follows:

**CLASS L1**
1st - Ann Keller
2nd - D'Anne Carleton
- Bill Weitzel -

**CLASS L3**
1st - Judy Zaccone
2nd - Charmayne Salter

**CLASS L4**
1st - Jorane Watson
2nd - Chuck Tracy

**CLASS L4A**
1st - Mike Korngold
2nd - Bob Garretson
3rd - John Ollivier
**New Feature**

Do you have questions about the technical aspects of your Porsche, but never have an opportunity to get answers? Well, here's your chance! At the suggestion of one of our tech-oriented members, we are instituting a new feature in the NUGGET. It is a question and answer column for tech problems. This is the way it will work:

Send your tech questions to your Tech Director, Bill Weitzel at 159 Terrace Ave., San Rafael, Calif., 94901. He will select those that he feels would be of general interest. Then he will turn them over to one of our several outstanding tech minds to be answered. And the answers will appear as a regular feature in the NUGGET.

So send in your questions, and Bill and his crew will do their best to provide your answers.

**Quiz**

A recent article in the New York Times was headed: POPULARITY OF 911 LEADS TO NEED FOR MORE POLICE.

Did the story concern:

(a.) the growing popularity of the 911 among car thieves, thus necessitating additional police manpower to catch the crooks

(b.) the growing number of 911's on the road and the attendant increase in the number of speed violators requiring more police to issue tickets

(c.) the fact that 911 is the telephone emergency number in New York City and that this article has nothing whatsoever to do with Porsche 911's.

Turn NUGGET upside down to learn correct answer.

Thanx to John Ollivier

**Bits & Pieces**

At long last we are able to say "Congratulations" to Dick and Jeanette Spear! Their little assistant navigator, Kimberly Ann, arrived on January 17th, and we understand she is a real charmer. So -- congratulations, Dick and Jeanette!!

In the last issue of the NUGGET, there was a letter from Karel Koke explaining his problem with a PCA'er who took his muffler "on trial" and neglected to pay for it. Since that issue went to press, Karel happened to meet the gentleman (?) in question at one of the local Porsche dealerships and, upon confronting him, received his money.

In the meantime, I received the following note:

Editor: Please allow me to state that the muffler on my red, 1968 911L targa is original and showing no signs of wear.

Terry S. Zaccione

So now I believe we can consider the case closed.

ak

**Scrapbook**

Send those old PCA snapshots or articles of interest to our Scrapbook Chairman, Pat Weitzel. Let's make this tenth anniversary year show big in the form of an impressive and "fun" scrapbook for new and old members alike!

- Pat Weitzel -
  159 Terrace Ave.
  San Rafael, 94901
From the Board

The January Board meeting was held at the home of Dave Hancock on Friday, January 9th. A letter from Lou Marable informed the Board that there is a new region of PCA forming in Santa Cruz County, and any GGR members in that area would be welcome to join.

It was decided that there will be a welcoming committee at meetings in the future to greet new members and guests and help them to become acquainted with the club.

The club membership is now 574.

The Board decided to obtain a Seller's Permit in order to continue selling "goodies" at the meetings. From now on, sales tax will be collected on all items sold.

GGR will put on its first public service event on March 14th in the form of a T & D rally for the Explorer Scouts.

Karl Keller, in planning activities, will try to schedule events around Laguna Seca and Sears Point races.

Arlen Riggs was formally appointed to continue as the PCA representative to the Northern California Sports Car Council.

GGR is planning to put on a Porsche Weekend on September 26th and 27th. The Board is investigating prospective sites for the various events, dinners, and parties.

Since Karl Keller became a Board member and resigned as PPPR, that office has been open. The job involves getting GGR articles into Pano and making the general public more aware of the type of club we are. Karl will write a NUGGET article explaining the job and asking for volunteers. A decision will be made at the next Board meeting.

Roster cutoff date is April 1st.

The Board is considering the purchase of two or more rally clocks. Decision will be made next month, based on Burt Propp's report of the rally profits from 1969.

The Board is considering a GGR-presented PARADE in 1973.

The next Board meeting will be at the home of Chuck Tracy on Friday, February 6th.

Cover Credit

This month's cover picture was taken by Joseph H. Davis of San Jose. Joe is not a member of GGR, but he generously agreed to let us share and enjoy his truly unusual and humorous photo, which he calls a "Pushed Porsche." The car is Scooter Patrick's Under 2 Liter class Porsche, and the picture was taken at the Trans-Am races at Laguna Seca last August.

Get those raffle tickets! - pg. 2
WANTED: Wheel wrench, spark plug wrench, generator wrench and 1 painted wheel - all for a model. Jim Ioakem, (408)253-9572.

WANTED: Ski/luggage rack, all types considered which will fit the 356 series. David Dick, 246-0330, ext. 274, or 328-9692 evenings.

WANTED: Porsche jack, condition immaterial, needed for parts. Don Lang, 248-2947.

FOR SALE: 2 Pirelli Cinturato snow tires, 185/15, 3,000 miles, $20 each. 1 Bursch 912 stinger, $5. 1 set of chains, 185/15, used once, $5. Allen Breed, days (408)245-6300, ext. 54; evenings (408)292-1596.
