We are pleased to be on board as your Nugget editors for 1985. You will notice this issue has a somewhat different format and style. The decision was made by last year's board to simplify the production of the Nugget to encourage participation by more of you. We hope to see lots of members joining us in this effort and invite your ideas, photos, articles, letters to the editors, and plain ol' "elbow grease". Our goal is to have a Nugget that can be produced at home (for the most part). Although we have been fortunate to have access to talented professionals and their facilities in the past (and thanks to all of them!!!), it has been increasingly difficult to find GGR members willing to take on the task of editing this newsletter. So, even though we may not have as "professional" or "slick" a publication as in prior years, with trick typesetting and layouts we intend to give it our best shot!

There are numerous opportunities for you to contribute; we're looking for staff reporters, typists, paste-up people and moral supporters. Give us a call if you're interested. Don Lang has already volunteered to be our Time Trial Reporter this year; you enjoyed his humorous as well as informative articles last year. Thanks Don!!! We will be working on the Nugget each month between the 5th and the 13th, at our place. If you'd like to help, call us to arrange a date and time. Maybe we can bring back some of those notorious "staff parties" that were so much fun (ask Al Berens about his famous "blue juice" punch...).

Let's make this, GGR's 25th Anniversary year, one that will be remembered as the year we enjoyed our club, each other, and all that both have to offer.

4/GOLDEN GATE REGION
We are doing unusually well in filling the various chairmanships. We still need lots of help in areas like putting on individual events. For example, Judy and I can put on the Beach Party again this year, but there must be somebody else who would like to do it this time. Can we get someone to take good black and white photos for the Nugget? I'd like all of you to pitch in on this. Get those photos to Janet and Gary. Does the Historian and the Scrap-book-keeper have enough help?

Write articles for the Nugget. The Nugget is the main source of information for the club. Not only does it tell when the events are scheduled, it (should) tell you how they came out. An article on any event allows more people to enjoy that event than actually attended! Don't worry about having literary talent; Janet and Gary are accomplished wordsmiths, so any article will come out fine.

We have lots of areas where just a little bit of your time will add significantly to our overall GGR spirit. Contact the chairmen in your areas of interest and tell them you'll help out.

Ciao,

(He's really just kidding about the 75% discount - this must be a presidential "whale-tale"!!! Ed.)

'Twas the week before Christmas,  
And a party would be  
The fun for the weekend -  
Who knew what we’d see?  

Elegant black  
Was the color that day,  
'Cept for Janet in sequins,  
Which turned heads her way!  

We were all smiles,  
As they passed out our gifts.  
Strange wonders we found,  
Things NOT on our lists!  

The dinner was fine,  
And then Ted began  
To bring up the new Board,  
Who'll do the best that they can!  

"How Lovely! What Talent!!"  
All did exclaim,  
When the "12 Days of Porsche"  
GGR's chorus did sing!  

Then Stan Michelman as Santa,  
With Newlin as Elf,  
Gave honor to Kelez,  
With the DUMMKOPF, what else?  

Big top hats and tummies  
With smiles big and red,  
Came dancing while Fairy d'  
Sugarplum danced near their heads!  

Great prizes! Great dancing!  
We all had such fun!!!  
THANKS to Susie,  
The party was truly #1!  

Poor Santa was cold  
With his reindeer and sleigh,  
So last year he traded them  
For a Cabriolet!  

Said Santa to our sponsors,  
As he drove out of sight,  
"Thanks to Cal-West Automotive,  
For such a great night!"

It's finally time to send in your reservation for the 19th Annual Yosemite Tour, sponsored this year by Garretson Enterprises. The tour will be on March 23 and 24. We will leave on Saturday, March 23, stop for a picnic lunch and then continue on to the park. After we arrive, you will have a few free hours to hike, walk, bike, take pictures, sit, drink, sleep or all of the above. Dinner will be at the new complex at the lodge. We are having a very casual family style dinner consisting of salad, bread, spaghetti, dessert and, of course, wine. Since we are eating at the lodge and don't have to drive home after dinner, we are supplying plenty of wine.

After dinner, on to the entertainment! Something new this year!! We will have three of San Francisco's best comedians on tap for you and a very interesting evening. Sunday is a free day to stay around the park or go skiing at Badger Pass.

The cost this year is $105.00 per couple or $85.00 for single.** The price includes lodging, dinner, entertainment and a great weekend. We have a limit of 65 rooms so get your check to us right away to reserve your spot. Registration will close March 1 and there will be no refunds after March 10. All other information for the weekend will be included in your confirmation letter.

Make your check payable to PCA/GGR and mail today to:

JOHN JOHNSON
1061 Terra Noble Way
San Jose, CA 95132

If you have any questions about the tour, call either one of us before 10 p.m. at (408) 272-2275.

If you have questions about chain requirements call (408) 462-0586.

**The price of the 1982 Yosemite Tour was also $105.00.
It all started as a suggestion by Darlene and Ed Swain during Activities Week in January of 1983. New members Charlie & Snookie Arolla had just volunteered to host the February '84 Dinner Meeting and the Swains said, "How about a chili feed -- cheap, simple, -- and maybe an auction to raise a few dollars for a local charity." Thus was born the concept of CHARLIE'S CHILI FEED AND CHARITY AUCTION.

Last year CHARLIE'S CHILI, GGR's annual charity event for 1984, raised $3,000 for the Crippled Children's Society. Over 80 people attended this first effort and were treated to an unforgettable evening of fun and excitement. It was such a success that we're going to repeat it again this year -- except that it promises to be even bigger and better.

First, there's the entertainment, The Peninsula Banjo Band. What a way to get you in the mood for a good time. Foot-tapping music from 15 or more banjos that just can't help but set the tone for a great evening. Then there's CHILI!! And lots of it. Plus wine with dinner.

Next up, the AUCTION! Rare posters, stereo radios, driving lights, Porsche jackets, models, alarm systems, etc., etc., and all at bargain prices. Just outbid your fellow PCA'er and they're yours.

All this for just $7.50 per person and a Porsche-related item. So, mark Saturday, February 16th on your calendar now. Check the attic or your garage for an item you can bring (it doesn't have to be new) and while you're at it, bring along your friends and neighbors, too! All the rest of the details appear on the page to your right.

See you there!

YEARN END AWARD WINNERS

OUTSTANDING MEMBERS HONORED AT ANNUAL GGR CHRISTMAS PARTY

The 1984 GGR Board of Directors presented many well-deserved awards at the Christmas Dinner Meeting. I want to offer my own congratulations to everyone who received the following awards:

FAMILY OF THE YEAR: GEORGE, SHIRLEY & THRESA NEIDEL. It seems like this is a perpetual award for the Neidels, but when a family does as much for GGR as the Neidels, who can argue with naming them Family of the Year? Again, the Neidels were active in all phases of the club, including autocrossing, time trialing, rallying, touring, social events, etc., etc., etc. Shirley came out of retirement to again put on the club family picnic. The only reason Rob, Karen and Sharon aren't part of the award is because the children must be under 18 for eligibility for this award.

ENTHUSIAST OF THE YEAR: SNOOKIE & CHARLIE AROLLA. This award was given to a couple in 1984. The Arollas have truly been the most enthusiastic GGR members the past year. Active in auto-crossing, time trialing, touring, rallying and social events, they also put on the Grand Island Tour, Charlie's Chili Feed and Charity, Charlie was Membership Director, Snookie was the Goodie Bag Manager, and they let us use their beautiful house for many events. In addition, they made many of the year-end awards and donated many stained glass door prizes.

THE PERC BLISS AWARD: SANDI CANDLIN & BARBARA MAAS. This award is presented to the individual(s) who has contributed that something extra during the year that has helped the club and the President. Sandi Candlin and Barbara Maas acted behind the scenes to totally recreate the 1983 Treasurer's books from the barest of essentials, which means reviewing every receipt, cancelled check, bank statement and event financial reports to recreate a year's worth of transactions that totalled well over $100,000.00. They did this in their "spare" time and completed the job in a little over 6 weeks.
THE DON MATTHEWS AWARD: RICK GUIDO. The Don Matthews Award has also been named the "Rookie of the Year" Award. As a brand new PCA member, Rick Guido took on the large job of preparing the 1984 Scrapbook for GGR. Rick, and his wife Carol, were active in the social aspects of the club, attending many of the competitive events as spectators. I'm sure many of you saw Rick taking pictures for the scrapbook during the year.

THE SOCIAL EVENT OF THE YEAR: THE MOTHER LODE TOUR. Karl Keller received this award for the Mother Lode Tour. This has to be one of the most organized tours put on within GGR. It includes a great tour to the Mother Lode country, a Saturday lunch, a walking tour through the Calaveras Big Trees, wine tasting at a winery, a prime rib dinner, overnight stay at the Murphys hotel, a Sunday brunch, a walking or crawling tour of Moaning Caves and a tour home through Columbia State Park. All of this in a weekend.

THE COMPETITIVE EVENT OF THE YEAR: THE HARE AND HOUND RALLYE. Tony Reid and Karl Keller were responsible for setting up a devious Hare and Hound course that had everyone guessing, not only at every intersection, but where the rallye would end. People showed up in every kind of transportation from Porschess to Detroit Iron. It's even said that some contestants tried to deceive their fellow entrants on the route. The trophies were again hand-made by Karl Keller and the route ended at a bistro where everyone swapped war stories while enjoying food and beverages.

Again, I would like to offer my congratulations to all of the award winners.

NUGGET EQUIPMENT: Last year's board approved an expenditure of up to $2000 to buy equipment for the Nugget Editor so the job could be done at home. This year's editors have equipment they can use already; Janet Buck suggested the board not rush in to a decision at this meeting; the agenda item was tabled until the July board meeting. Jeff Lateer has offered the use of a paste-up table for the Nugget Editors' use; Janet will contact him.

NUGGET MAILING: Postage for members out of the country is about $25/month for 8 issues; a motion that the membership direct or write to those members requesting additional money to cover the cost of mailing their Nuggets was approved; otherwise, they will be mailed via surface mail starting March 1.

INVENTORIES: All chairpeople should send current inventories to the treasurer A.S.A.P. Directors are responsible for the inventories of their chairpeople.

BYLAWS: Ted Atlee suggested that the V.P. set up this year's bylaws committee early in the year.

EVENT BUDGETS FOR NEXT 60 DAYS: The following budgets are in and were approved; January dinner meeting: Charlie's Chili; Whale Watch Tour. No budgets have been received for the Clever-Wise rally or the 1/20, 1/26 and 3/2 autocrosses.

The meeting was adjourned at 10:57 P.M.

Dennis Winter, Secretary
Believe it or not, this year marks the 25th Anniversary of Golden Gate Region. To properly celebrate this event, the April dinner meeting will be extra special! I've accepted the honor of chairing the event knowing that would be heading a committee of eager and enthusiastic GGR folks just dying to help me out! Right?

Now, I've got the location all picked out -- you'll love it. A class act for sure. But there are a few more items on the agenda than just our usual good-time cocktail hour and chow. Sonja Blow has answered the call to gather up all the necessary VIP's (call her if you're important, please). I need help with invitations, decorations, entertainment, publicity, programs, and flashes of the past! If you're willing to tackle on one of these jobs, the evening will be a piece of cake!

Even if you don't have the time to assist in one of the areas I've mentioned above, how about digging through your personal archives for some pictures from the past? If anyone has slides, movies or photographs, we need you!! (You know the kind we're looking for - historic ones - funny ones - candid ones - ones you'd prefer someone else didn't have the negatives of...)

I look forward to hearing from you! You can reach me at home at (408)257-0459 or at my office (408)983-1300. Please leave a message if I'm not there.

Be sure to mark April 20 on your social register!!! This is one party you won't want to miss.

"technically speaking"

OK all you technical wiz bangs, now's your chance. 1985 can be the year to learn or teach all those unknown magical tricks all about Porsches.

As your Technical Chairman for '85 I'll need some input as to what you are interested in learning or teaching about. Body work, paint, frame straightening, rust repair, interiors, upholstery, engines, suspensions, new cars, collectors, publications, race, rally or concours prep. Anything else you can think of, I'll need some feedback from YOU. Please let me know what you would like to hear, see, touch, smell, or experience in any way, shape or form.

With nearly 1,000 members in GGR, I would expect to hear from at least 10% of you, although I know most of GGR's members are technically interested in Porsches.

So go ahead and drop me a card. I've warned the postmaster about the flood of letters I'm expecting, so no excuses, OK!

ESSENTIALS

Every knowledgeable Porsche enthusiast depends on certain things. One is a source for parts and advice for his special Porsche requirements.

For most enthusiasts, the Automotion catalog fills this need. Altogether, over 110 pages of accessories, tune-up parts, posters, books, suspension kits, racing equipment, wheels, spoilers, flares, restoration, seats, gauges, steering wheels, clothing, decals, model kits, and tech tips—dozens of tech tips that can save you hundreds of dollars.

No other Porsche catalog—at any price—offers a comparable range of parts. And no other parts company gives the personal advice and care Automotion is famous for.
