Happy New Year! With 1989 already a month old, time is passing fast. In the last issue I introduced my new Board sans a Social Director. I am happy to announce, for those of you who have not yet seen the back of the Nugget, that Barbara Lateer has graciously volunteered to serve in that position. We welcome her wholeheartedly to complete the 1989 Board of Officers. Barbara and her husband Jeff are long-time members of GGR and have both served on past Boards of Directors.

As most of you know the Club had a fabulous Christmas Party hosted by Stacy Lynd. The Sheraton in Sunnyvale definitely did a great job welcoming our group. Among the party-goers was a contingent from Sacramento. It’s great to see so many members both local and out of town. At the Christmas Party we did acknowledge the GREAT EVENTS of 1988. Social Event of the Year was the Oktoberfest Dinner with special thanks to Hal and Becky Schuette for hosting this fun event. Competition Event of the Year was the Affair of the Heart. This event which was composed of an Autocross, Concours and Time Trial was chaired by Sharon Neidel. Special thanks to Sharon and her committee for a job well done. New Member of the Year was a couple, Dave and Diane Kimes. They have already showed us that they can’t slow down by tackling the Autocross Chairmanship for 1989. Many thanks to both of you. I was elected to give out the enthusiasm of the Year Award which I had the privilege to bestow on Michael Lommatzsch (for more details see the articles on Year End Awards elsewhere in the Nugget). And last but not least, the outgoing president has the honor to select the recipient of the Perc Bliss Award. Michael Strayed from the norm this year and picked two recipients who have both given so much of their precious spare time to help the Club. Those recipients are Gary Walton and Bert Wall.

As I said, it is February and we are already approaching our 2nd and 3rd Autocrosses. Number 2 is on February 4th and number 3 is on February 20th. Both of these events will be held in Pleasanton. Looking on to March, we will have our second Time Trial. This one is at Sears Point on March 11th and 12th; and of course, that ever popular tour to Yosemite is March 18th and 19th. So mark your calendars and always check your current Nugget for any additions or corrections.

See you next time!

CHARITY CHRISTMAS TREE

The Christmas tree that was on display at the Christmas Party was more than an ordinary tree, it was arranged, bought, and decorated all for charity. George, Shirley, Sharon, Karen, and Rob Neidel along with Al and Barbara Berens, and Mike Lommatsch (otherwise known as the Fascinini Brothers) all decided to chip in and sponsor the tree that was to be donated to the Bill Wilson House, a counseling center for runaway children.

The tree was brought to the Christmas Party and decorated with the ornaments that were brought to the dinner. After being on display all evening, the tree was brought to the center to give the less privileged some Christmas joy. Sharon, Mike and I were given a very warm welcome by the counselors at the Bill Wilson House, and they were overwhelmed with our efforts. The tree, all ornaments, stand, and lights were theirs to keep. We also presented them with $25 that was collected at the dinner and a certificate for a turkey donated by Sharon’s office.

A special thanks to everyone that brought an ornament or donated money towards the cause. The Neidels, Berens, and Mike also deserve a warm thank you for their generous sponsorship. The tree brought Christmas joy to children without a home this Christmas season.

Teresa Lommatsch

Corrections to the Calendar

Charlie’s Chili, scheduled for February 11th, has regrettably been cancelled.

The GGR Autocross Series reinstated the January 29th date as a points event, therefore the numbering on last month’s back cover is wrong. Event #1 was January 29th, Event #2 is the joint event with Diablo Region on February 4th, GGR Autocross #3 is February 20th. Please mark your calendars accordingly. See this month’s centerfold for a preview of the year’s events.

Christmas is over, the New Year is here, and it's "That Time" again! NO, not tax time - it's time for the GGR tour to Yosemite. Before the IRS takes it all, you've earned some fun - so here's your chance.

Once again we will be leaving from the South San Jose area and driving over Pacheco Pass to Merced. From Merced we will use the "all weather route" into Yosemite. (This year we're hoping for weather with a little more character.) We will have lunch upon arrival - soup and Chicken Salad - in the 4 Seasons Room at Yosemite Lodge. After lunch will be free time. Some will take a short walk to the base of Yosemite Falls, or take advantage of the free Yosemite Shuttle to tour the Valley.

This year dinner will be held at Curry Pavilion. Dinner choices are Steak or chicken. A free shuttle will be provided between Yosemite Lodge and Camp Curry. In keeping with our "western" theme, western attire is encouraged. In a Club such as ours, tastes differ, so "western attire" ranges from loud Bermuda shorts with cowboy boots to Izods and Adidas. Some of us, being less imaginative, will fall back on boots, Levis and a western shirt.

After dinner, appropriate western entertainment will occur...come prepared to sing for your supper!

The tour price is $145 per couple, $40 for each additional person in the same room. Singles on the tour, in a private room, are $120. Included in the tour price are lunch and dinner on Saturday, and lodging at Yosemite Lodge Saturday night.

Once again the grand door prize will be a stay at the Los Robles Lodge with complimentary dinner and breakfast for two. Don't miss out.

Payment in full is due by February 17th. There can be no refunds after that date. Make checks payable to PCA/GGR. Your reservation must include: your mailing address, an evening phone #, your dinner choices, with the number of each choice, and the total number in your party. Send your entry to:

Jack Kuhn
33789 Cassio Circle
Fremont, CA 94555

Cathy, Michelle and I look forward to seeing you in Yosemite for a GGR Spring Tradition.

FRIDAY NIGHT SOCIABLES

In 1989 we will be reviving the Friday Night Socials. These are evenings where the dress is casual, and so is the atmosphere. Short programs of entertainment or business, along with informative presentation by vendors and manufacturers of aftermarket Porsche products round out an evening of visiting with your Porsche friends where you can purchase an inexpensive dinner or snack (in prelude to a dinner out with friends at some other local eatery).

This year we will be using Squeezers located near our old site (Harry's Hofbrau on Saratoga Avenue in Santa Clara). Squeezers' features burgers, ribs, and chicken. We gather after work (about 6 - 6:30 PM) this year at Squeezers, Saratoga Avenue and Stevens Creek Boulevard in Santa Clara ([408] 244-6881) beginning the first Friday in February (February 3rd). All subsequent first Fridays will also be Socials at Squeezers. It's a standing date, so plan to be there.

From 280 take the Saratoga Avenue Exit and head east to Stevens Creek Boulevard and Squeezers.

Board Meetings

Most GGR Board meetings are open to the public and your participation as an interested member is encouraged. Meetings are held at 7:30 PM on the nights indicated on the Calendar and at the home of the Board Member whose name follows the date. Call and let them know you will be there and to get a copy of the agenda. The meetings are held in a business-like atmosphere. This is not a party like so many of our get-togethers but you can learn the issues which face the Club in 1989 and contribute your opinions. Running GGR is a small non-profit business; watch your Director's in action and perhaps bend the direction the Club will take in the next twelve months.

Kathryn McVean

1988 Year End AWARDS

DON MATTHEWS MEMORIAL AWARD - NEW MEMBER OF THE YEAR
DAVID AND DIANE KIMES

David and Diane joined Golden Gate Region in January of 1988. As new members, they jumped right in to the swing of things and became enthusiastic members. David decided to try his hand at autocrossing, and ended up becoming a serious competitor. David and Diane joined us at most of the social events as well. They were at the brunch in Santa Cruz, the Bumper Cars, the Mother Lode Tour, and many others including SVR's CRAB 17 in May.

As if attending the events wasn't enough, they have already volunteered for a year long position in 1989! Since David has gotten hooked on autocrossing, he decided to head up the 1989 series by being the autocross chairman for next year.

Having shown so much enthusiasm and spirit, similar to Don Matthews, whose memory this trophy is given, David and Diane Kimes are well deserved of 1988's New Members of the Year!

COMPETITIVE EVENT OF THE YEAR
AFFAIR OF THE HEART
SHARON NEIDEL - CHAIRMAN

Labor Day weekend, Sharon Neidel chaired the "Affair of the Heart", a combination of concours, autocross, time trial, vendor displays, and dinner at Sears Point International Raceway. This multi event weekend took a tremendous amount of time and effort on Sharon's part to put the whole event together. Overall, this weekend was a great success with helping to raise over $30,000 for the Sonoma Valley Hospital Foundation. The Affair of the Heart was the largest charity event in the history of Golden Gate Region.

The event took a lot of work, so Sharon couldn't be expected to do it all by herself. Gary Walton, David Blanchard, and Brian Perry assisted her by chairing the autocross, time trial and concours respectively.

The Affair of the Heart, this year's annual charity event, combined what we like to do with helping those less fortunate. The 1988 Board of Directors chose the Affair of the Heart as this year's Competitive Event of the Year. Congratulations to Sharon and her co-workers!

SOCIAL EVENT OF THE YEAR
THE OKTOBERFEST
HAL AND REBECCA SCHUETTE

Authentic German beer, food and music was all part of the great atmosphere at the 1988 Oktoberfest. This event offered dancing, door prizes, food, and fun for everyone.

Having never put on an event before, Hal and Rebecca worried about the turnout for the event, but their enthusiasm and hard work paid off in the end. There were over 50 people that attended the Oktoberfest which is much more than usual for a monthly dinner meeting.

Hal and Rebecca already have plans for Oktoberfest 1989. This time, the event will be in conjunction with the Mercedes Benz Club. The restaurant will be closed to the two clubs, so it should be an event not to miss!

The 1988 Board of Directors chose the Oktoberfest as the 1988 Social Event of the Year. Congratulations go to Hal and Rebecca Schuette for an outstanding event!

DON LANG MEMORIAL AWARD
TROY LOTHROP

Troy was awarded the Don Lang Memorial Award at the time trial banquet for all of his outstanding efforts towards the time trial series. Troy's efforts went above and beyond his duties as the door prize chairman. He not only did a great job with the door prizes, but also helped with sponsorships for the time trials. As if his enthusiasm in 1988 wasn't enough, Troy has already agreed to help with the sponsorship on a higher level in 1989.

Troy is always willing to lend a helping hand where needed. His enthusiasm and support of the time trial series is similar to that of Don Lang himself. The 1988 Board of Directors felt that Troy Lothrop put out an outstanding effort to help the time trial series.

Congratulations Troy, the award is well deserved!
PERC BLISS (PRESIDENTS) AWARD
GARY WALTON
BERT WALL

The Perc Bliss Award is given out annually by the current President to the member(s) that have made substantial contributions to the club during the year. The 1988 year saw this award given to two long deserving members.

Since 1985, Bert Wall has served the club in the capacity of Assistant Treasurer. The term Assistant doesn't really fit Bert well since he has the responsibility of preparing all the federal and state income tax returns, sales tax returns, and other required returns. Burt also has the responsibility of advising the Board of our financial position to keep us within the frame work of the IRS. Burt has done this with much professionalism and continued support of GGR when called upon for his expertise.

Likewise, Gary Walton continued with his excellent support from the graphic arts facet. Since the late 1970's and until recently we have used his facility to produce the Nugget. Gary still sets-up and publishes the Competition Rules Book. He continuously provides advice on the layout/publication of the Nugget when needed. Gary has served as our Northern California Sports Car Council representative and chaired the charity event autocross. And the time trial series couldn't do it without his graphics proficiency and all those "packet papers".

Both of these recipients are well deserving of this award and should be congratulated for jobs well done in 1988.

ENTSUAST OF THE YEAR
MICHAEL LOMATZSCH

Enthusiast is described by Webster as "...a person filled with enthusiasm: one who is ardently attached to a cause, object, or pursuit...one who tends to become ardently absorbed in an interest." The object...a Porsche. The Cause...the betterment of Golden Gate Region, Porsche Club of America. The Enthusiast...Michael Lommatzsch.

Yes, Michael Lommatzsch our current Past President of GGR and our current Vice President (1989). What an enthusiast! Michael has been a member of GGR for many years. In those years he has never stopped jumping in and taking on new challenges. But in 1988 he went overboard. His list of achievements reads like a list that some of us would like to complete in a lifetime and not just in one year. Michael was the 1988 President; he was the Registrar and Co-Announcer for the Time Trial Series in which he also participated. He was instrumental in getting a Rally Series back in action in 1988. Michael hosted the three day Solvang Tour which so many of us enjoyed. And...he chaired an autocross, attended all the dinner meetings and all the Friday Night Socials and most of the tours...he participated in the Zone Seven Concours series and the Rally series...he attended CRAB and Parade...and on and on.

However, an enthusiast is not just someone who just attends and participates, but one of the things I would like to remember most about Michael is his willingness to help people in distress or to step in and take charge when everyone else lets you down. This is award is for you, Michael Lommatzsch, for A JOB WELL DONE.
