What is a club? Webster probably says it is a gathering of people with a common interest or goal. Obviously Porsche Club qualifies under that definition. We all have a definite common interest: "Porsches." Some of us race them, some tour them, some polish them, and some do it all. We have a great organization and we on the Board work hard to make sure you have lots of activities to choose from.

However, it takes more than us to run the club. It takes support staff and committee Chairpeople. Each Board member has one to several positions they must fill such as Nugget Ad Manager, Tour Chairperson, Autocross Chairperson, and the list goes on and on. Every year it seems harder and harder to get volunteers. We solicit names at the Christmas Party, and follow up with phone calls. This year we still have several positions open. We need help! We need volunteers. I promise that you will enjoy it once you try it.

Remember being a member of a club doesn't just mean participation at events, it also means giving some of your time to help the organization grow and be even better yet.

Thanks

**NOMINATING COMMITTEE**

Volunteers are needed to form the 1989 Nominating Committee. Chairman Valerie Blanchard would like to hear from you if you would like to serve.

If you would like to run for the 1990 Board (remember, it's West Coast Parade year), Valerie would also like to hear from you.

You can't have fun unless someone does the work, so volunteer. Being a Board Member is fun, rewarding, and has its own privileges. It's hard work, but you often acquire skills and make valuable contacts which will benefit you in your line of work or make lasting friends with someone you only had a casual relationship before.

Remember, October 1st is the deadline for filing to run as a candidate for the 1990 Board of Directors.

**FROM THE EDITOR'S DISK**

Many thanks for all your comments on the last issue. Some of the criticisms will be taken into account if I get the opportunity to use that format again. Economics dictate that we return to our standard format, which you see once again in this issue.

If you are interested in the position of 1990 *Nugget* Editor, you might want to make your wishes known to myself and the 1989 Board of Directors. Some training will be needed to learn the computer system and how desktop publishing works prior to your taking over for the February issue, 1990. After three years in this position, I need a break and will be stepping down after producing the January 1990 issue (December 1-12, 1989). Those interested in the editorship should make their wishes known so training can be planned during the production of the November and December issues.

Family Picnic

Huddart Park in Woodside
Sunday, July 16th, 10 a.m. till?

This year we're heading for the hills for the Annual Family Picnic. Come join us for a relaxing day just socializing and enjoying the sun. Huddart Park offers lots of wide open spaces to walk, play softball, volleyball, and horseshoes. There's plenty of covered picnic tables or bring a lounge chair and hang out in the sun.

The Region will supply beer, wine, soft drinks, ice, charcoal, and cups. You'll need to bring your own BBQ choice, plates and utensils.

Each family is again asked to bring a potluck dish that can serve 8 people. Categories are divided according to last names:

A-G: salads and rolls, garlic bread  
H-P: corn, vegetables, beans, chili  
Q-Z: Appetizers, chips, desserts

If you need additional information, call Dave or Patti Thal (415) 363-0991.

Directions: from 280 north or south, take the Woodside Road exit, and head west up the hill to the town of Woodside. Continue on Woodside until you reach Kings Mountain Road (approximately 1 mile). From the 4 Way Stop, follow the road until you get to the Park entrance on the right. There is an entrance fee and directions to our Picnic Area given there. See you all on the 16th!

DEADLINE FOR ZONE RULES CHANGES

Here we go again! The deadline for receiving proposals for changes in the Zone Competition Rules is July 1, 1989. Such proposals, if approved by Region representatives, will be become effective in 1990. All the recommendations received will be sent to Region newsletter editors for publication and copies of the proposals will also be distributed at events taking place after July 1. Representatives from the Regions will be asked to meet and vote on all the proposed changes before November 1.

There has been a verbal recommendation that the Zone Autocross Car Classification Rules should be modified so as to match the Parade Competition Rules for Driving Events. A similar verbal recommendation has been made regarding the Rules for Concours Competition.

Anyone who is a member of a Region within Zone 7 may submit a proposal so long as it is in writing (not verbal), signed and received by the Zone Rep before the above deadline.

Get It Together

The April 9th Autocross was about as near perfect as it gets. Perfect weather, a fast but very challenging course and 132 drivers. This event was not only GGR event #4, but the start of the Zone 7 series as well. Based on the turnout, there are some serious coneheads out there and most were in Pleasanton on Sunday.

I would like to take a minute to thank those folks who were out at 6:30 in the morning to help set up and those that stayed until almost 6:00 in the afternoon to help pick up. People like Bob Crookshank, Kirk Doberenz, John Piechoto, Essy Faribab and Casey Winningham among many others are the reason we have a successful autocross series and so many others do not. Thanks to all of you and please keep up the great work.

The points chase is starting to take shape after almost half the events have been completed. James Northr is leading the Ohio Region in cooperation with Std Ohl got bushwhacked by Charles Wilson and was not able to expand his lead as much as he would have liked with Joe Donohue not present. Ray Mascia is now causing Dick Petticrew and Michael Dhuey the headaches he caused me last year. Tom Provasi is gaining on Ray Scruggs and has caught Greg Pear. Henry Watts has set the Zaccone Express back a few steps. Henry brought the world's ugliest car again on Sunday, but apparently has read his own book since the last autocross and the ugly duckling has indeed turned into a swan. If you haven't seen it you won't believe it. Ken Mitchell and Mike Lommatzsch have finally found a way to beat Jeff Lateer. They didn't invite him to the party. Good thinking guys. Jim Brooks brought the newly rebuilt Brookmobile to the fray and showed the folks in Class U why it's called the Jim Brooks Class. I don't care that I can't go as fast as Jim, I just wish my car sounded as fast as his.

There is a lot of confusion about the series. As you noticed in last month's Nugget, Diablo Region lost the Pleasanton site for the June 3rd event. The new schedule for our series has us at Golden Gate Fields on July 8th, again at GGF on August 19th, and a two day event at GGF on September 9th and 10th (both are point counting events). They will become our 7th and 8th events of the series. Our last event remains at Pleasanton on November 2nd. It is still a 9 event series with the best 6 counting for points. A person must run 5 events to be eligible for year-end points. I apologize for the long wait between our last event and July 8th but as most of you know my new car isn't quite ready....No that's not the real reason, but I do apologize and when setting up next year's schedule I'll try to ensure that it doesn't happen again.

David Kimes
1989 Autocross Chairman

Northern Ohio Region, in cooperation with Stoddard Imported Cars, presents "Teileschwapen '89" the second annual all-Porsche swap meet held Saturday, June 24th, from 8 a.m. to 4 p.m.

There will be technical presentations by the body shop and service department along with food, door prizes and free rides in Porsche-powered aircraft. Commercial vendors are welcome and vendor booths are available for $10 per 10'x20' space. Preregistration strongly recommended. In addition to the variety of vendors and "PCAers" displaying their wares, Stoddard Imported Cars will exhibit their large selection of special and unusual Porsche parts.

For those arriving early there will be dinner and socializing on Friday night.

Mid-Ohio race track will be holding some other events the same weekend that may be of interest. They include: Mid-Ohio Region's Concours; The Chase Bank Vintage Races, the Chesrown Concours; and the Budweiser race against MS.

For more information or for vendor registration please contact Judy Pignolet (Pin-yo-lay) at 1-216-951-1040

JUNE 1989
FRIDAY NIGHT SOCIAL

Here’s your opportunity to just hang out and think Porsche. Have a beer, a burger, and some conversation with friends at Squeezer’s, 3830 Stevens Creek Boulevard in Santa Clara. Squeezer’s is famous for their gigantic burgers on home-made buns but have a terrific salad bar as well. Chicken, pasta Steakburgers and soups are available. Prices are reasonable and the pies are baked fresh daily. It’s a great way to meet club members in a low key, informal setting. Kids are welcome.

Mark June 2nd on your calendar.

These happy souls are just a sample of what goes on.

Clockwise from top left:
Dick and Suzanne Petticrew.
Terry Zaccone, Rick Bower, and Joan Sanders.
Sherry and Ed Wise discussing the Monterey Getaway with James Ohl.
Mother Ringen: "No, son! You may not have the keys to the 911. Wait until you're 16!"
Ringen Jr.: "Shoot, this is gonna be a long childhood."
Chet and Lyn Martin in background, Dick McClelland, and Zone traveller Marilyn Sweet.

PIT CREW = PARTY

Porsche people do not really need an excuse to party, but here's one anyway. Pit Crew is a place to go to make decorations and place savers for an upcoming dinner meeting as well as sit around and gossip about those who aren't there. So come party! June's Pit Crew Meeting will be responsible for our decorations at the 'Tao Tao' restaurant. Come and help us be creative as well as have a good time.
