PAY ATTENTION, PEOPLE! The registration deadline for the biggest event in Porsche Club is coming up. Tuesday, February 20, 1990, is the day to send in your registration for the 1990 Porsche Parade in Monterey. The Parade will be held from Saturday, June 23, 1990, to Friday, June 29. For those of you who haven't done this before, you need to know that registration day is not merely the first day you can register; it is generally the only day. You see, there are about 28,000 members in PCA, but the Parade can only accommodate about 600. So, all entries are usually drawn from those postmarked on the first day. It is especially critical for those in the host regions when the Parade is in a populous and highly desirable spot, as in Monterey. Each region gets a certain percentage, so get that entry in. It won't be accepted if postmarked before the 20th. You will find the entry in your January Panorama. I'll be writing more about Parade but for now, just get that entry in.

We have had our first Board meeting, and I was right. This is an exceedingly lively and innovative Board. Be on the lookout for new and exciting activities and ways of doing things. Also be ready to do your part to help run the various activities. Whenever we try to come up with names of people to work on the important committees, we invariably start with the names of the old-timers that have done things in the past. Well, I think many of our old-timers have abandoned Golden Gate Region for one reason or another and we are going to have to look to newer members for these key positions. That's a good thing, because the biggest factor that prevents newcomers from stepping forward to volunteer for things is the presence of an established club clique that is difficult to break into. Well, I'm declaring right now that this is a new game. Get hold of one of the Board members and tell them what you want to do. For example, as of this writing, we need an Autocross Chairman, a

With over twenty speakers talking on various subjects and then sitting in on Question and Answer Sessions, almost every interest is covered. We cater to the Air Cooled, Water Cooled, Old and New Porsche Owner. With fifteen exhibitors in our Trade Fair Area, which are advertisers in Panorama, it is a great opportunity to see items you are interested in, ask questions about applications and even buy them to take with you when you leave.

WE ADMIT:
Tech is a packed weekend. It begins on Friday afternoon March 9th with Question and Answer Sessions and continues through each day with featured speakers covering their subjects. You have the opportunity to have meals with the club on Saturday at Lunch, and the Dinner Banquet Sponsored by Robert Bosch Corp. You also have the opportunity to win great door prizes and meet other PCA members who have the same interests as you.

Approximately 60 percent of the topics and speakers change from year-to-year providing information on ever changing technical problems. We repeat many of the sessions during Tech to ensure you have the opportunity to attend as many of them as possible.

FROM THE FACTORY:
The Principal Speaker at Tech this year will be Heinz Stehle from the Porsche factory at Weissach, speaking on Porsche Tiptronic - A Four Speed Power Shift Transmission For Manual and Automatic Shifting. Without a doubt he will provide a rare glimpse into that inner sanctum that we all want to know so much about. 24TH ANNUAL GGR YOSEMITE TOUR

MARCH 31ST AND APRIL 1ST
YOSEMITE NATIONAL PARK CENTENNIAL

In 1990 Yosemite National Park celebrates its Centennial, and GGR will be there. If you plan to join us, now is the time to sign up! We have tried to make the 24th Annual Yosemite Tour something a little different. To give it a more rustic and historic theme, we have reserved a group of cabins at Curry Village. These cabins have private baths, and all have 2 beds - most have 2 doubles. Dinner will be at Curry Pavilion, and our dinner choices are Honey Lemon Chicken or London Broil Bordelaise. After dinner, we will have a speaker and a slide show on the history of Yosemite. Our speaker will be from the Yosemite Association.

Our tour to Yosemite will be different as well. On Saturday, we will leave from the San Jose area, and tour to the park via Highway 140, 49 and 41. This route will allow us to enter the park at Wawona and make a stop at the Pioneer Yosemite History Center. Weather permitting, we will have a picnic lunch in the park.

If you plan to bring children, please let us know, so we can plan appropriate activities for them. If you want them to have their own meals, the price is the same as for an additional person in the same room, $22.00 each.

The tour price this year is only $100.00 per couple. (I know Parade is coming, and don’t forget that next year is the 25th Annual GGR Tour to Yosemite, we’re staying at The Ahwanhee, so I tried to keep the cost down!) The tour price includes your lodging for one night at Curry Village, and dinner for two, as well as entertainment and door prizes.

Make your check payable to PCA-GGR and send it with your name, address, evening phone number, number in your party, dinner choice (Honey Lemon Chicken or London Broil Bordelaise), and the number and ages of the children in your party to:

NUGGET 7
A merry group of eighty-five GGR members descended upon Finn McCool's in Cupertino for the "World-Famous" Christmas party. Plenty of socializing & attitude adjusting took place before the dinner bell was rung. Santa Claus (who was that masked man?) was there to provide some pre-dinner amusement.

We all sat down to tables decorated festively with miniature Irish coffee mugs emblazoned with the GGR logo and "Seasons Greetings 1989." Also, thanks to Frances Costa, there were mini stockings filled with after dinner (or during dinner for those who couldn't wait!) treats. Another nice surprise came when it was announced that we could present our Irish coffee mugs at the bar to be filled with... You guessed it! Irish coffee! What a great way to end a great meal.

During dessert and in-between the many door prizes given away, the year-end awards were announced by outgoing President Valerie Blanchard. (See accompanying article for details on the deserving winners)

After the last award and door-prize was given out, the stage was turned over to our deejays for the night. A good mix of new music and danceable oldies got the crowd movin' and groovin' 'til the near wee hours.

All in all, a great party organized by Kathryn McVean.

Thanks to Michael and Frances Costa for pictures.
Out with the old, in with the new
They had lots of fun, and we will too!
Michael and Francis Costa- Thanks for all the pictures!

1989 YEAR END AWARDS

THE ENTHUSIAST OF THE YEAR
AL BERENS

This year's recipient of the Enthusiast of The Year has gone over and above the call of duty. As Nugget Editor for the last two years, Al Berens has given most of his spare time to the production and preparation of our newsletter. If that wasn't enough in 1989 Al also found time to put on a rally and also co-chair the Asilomar Tour. Al and Barbara have made it a point to join in on our many social events during the year. Special thanks to you Al for being such an ENTHUSIAST.

PERC BLISS/PRESIDENTS' AWARD
SHIRLEY NEIDEL

One of the special treats I had as president last year was to select the GGR member who I felt made the greatest contribution to the club. I selected a special person who gives willingly of herself all year long. Shirley Neidel goes out of her way to volunteer herself at any and all events, competitive and social. She has also made many a parents' day easier by her unselfish devotion of time to their children. Shirley must have a direct line to "Toy Central", as she always seems to be pulling something out of her pocket to share with one of our children. We all owe a big "THANK-YOU" to Shirley Neidel.

DON MATTHEWS MEMORIAL AWARD -
NEW MEMBER OF THE YEAR
STACY (LYND) REITMEIR

Stacy is one of the most talented drivers and enthusiastic members that this club has ever seen. Her contributions last year seem amazing when you consider she was a new member in 1989. Stacy served as our Competition Director supervising and assisting the various committee chairman carry out their very important functions. She was also in charge of chairing the rules committee during some trying and difficult decisions. Throughout it all Stacy displayed the enthusiasm and get-it-done attitude that produced a very successful competitive year for GGR.

DON LANG MEMORIAL AWARD
KEN MACK

When this award was announced at the Christmas party, it seemed as if the entire crowd said at once, "It's about time!" As one of our longest running sponsors and participants, Ken Mack has never "given up on us." The Techs he hosts at his shop are always some of the best of the year, with a cheerful and welcoming atmosphere. As a time trial participant Ken is always someone a distressed driver with a broken car can turn to. (As long as you come prepared with a donut and coffee!) So, thanks Ken for all of your years of sponsorship and participation, it will always be appreciated!
COMPETITIVE EVENT OF THE YEAR
AUTOCROSS/GOODYEAR TIRE EVENT
DAVID BLANCHARD

At our Golden Gate Fields site David Blanchard put on the best run autocross of the year. The day went smoothly even with a course change necessitated by safety concerns. Everyone got at least four runs on the excellent course. The biggest part of the day was the Goodyear Tire Event where drivers could try the hottest new tires for a lap or two. Goodyear representatives were on hand with a huge array of tires to fit all of the cars, and many autocrossers took advantage of the opportunity to "test-scrub" a new set of tires. At the end of the event, a drawing was held for a set of the slightly used tires. The whole day was a great success.

SOCIAL EVENT OF THE YEAR
CARLSEN PORSCHE CONCOURS AND SWAPMEET
BARBARA LATEER
DOUG FORSTER

As a combination social/competitive event the Carlsen Concours & Swapmeet had no equal this year. A beautiful sunny day set the scene for twenty three concours entrants to display their meticulously prepared cars. One hundred and fifteen stalls were rented to people to display all their wares, a great money-maker for the club. Hundreds of people filled the parking lot to browse and BUY! This event went off without a single hitch thanks to the tremendous effort Barbara Lateer and Doug Forster put in to coordinate all the details.

FAMILY OF THE YEAR
JOHN, JANINE, AND JANELLE PEICHOTO

The Porsche Club is made up of singles, couples and families. Each year we recognize a family that shows a greater interest in the club. The recipients for Family of The Year 1989 are - The Peichotos. The Peichotos are very visible during our autocross series, John and Janine as drivers, and daughter Janelle as a frequent helper at the timing table delivering timing slips to the drivers as they complete their runs. The Peichotos have also participated in tours and other social events TOGETHER.
REGISTRATION:
7:00-8:30 AM: To get course walk
9:30-10:00 AM: Miss the first run

LETTER FROM THE NEW EDITOR

Hi! I’m your new Nugget editor, Julie Zaccone. I’d like to introduce myself and also tell you why I’ve taken on this job.

I’ve been an official member of GGR since October 1988, and unofficially since Day 1, as my parents are the current President and First Lady, Terry and Judy Zaccone. Growing up in and around the Porsche Club has given me a unique perspective on the club and I hope that will show through in my work as your editor.

This club has meant a lot to me throughout the years and I thought it was about time I participated in a more concrete way than just attending events and paying my dues. I also have a great interest in computers and art/design, and I believe this position will give me an opportunity to combine the two.

So, that’s a little about me, what I would like to ask of all of you is:

1) FEEDBACK - Positive or negative!

2) ARTICLES - Remember I’m the editor, not the author too!

Wish me luck, and don’t forget to thank Al Berens (the outgoing editor) when you see him, for the terrific job he did for so many years.

Regards,

Julie Zaccone
MEMBERSHIP MISSIVE

I wanted to write an article rather quickly before I really started to regret getting this job. So far I've spent many happy hours swearing at the club computer and trying to find a member, just any member in the data base.

As I mentioned in my campaign (yes Virginia people do keep campaign promises) I would like to increase the active membership in the club. I have several ideas I would like to try but I'm sure you folks have a lot more. There are many members out there who were once active in the club but now prefer to sit quietly on the sidelines. I would like to know some of the reasons why. In what way does the club fail to provide the activities or friendship or technical information or whatever you desire? My address and phone number appear on every issue of the Nugget and I would very much enjoy hearing from you. Neither I nor this Board of Directors can do anything about the past. We do seek your help in leading us into the future.

For starters, I would like to re-establish the tradition of flashing lights at other Porsche drivers. You hidden headlight types will be excused for flashing parking lights or just waving. We really do have a great deal in common with each other and that is a great way to say "You sure have excellent taste in automobiles."

For now I'm back on my quest for whatever it is I'm supposed to be doing. I'll share some of the ideas I've received in future issues. As for you, get out there and flash someone.
