Here we are on May 14th finishing up the Nugget for June, why are we so late if the Nugget deadline is the first of the month. I guess some people cannot read the calendar as I keep getting items and articles around the 8th and 9th of the month, as some of the item are need to complete the issue the staff and I have to put a hold on production and have to get on the phone to get the needed items. This deadline is not new and is the same for everything that goes in to the Nugget. Please remember:

DEADLINE IS THE 1st OF THE MONTH

Please remember if you are putting on an event or tour it is your responsibility to get some one to write an article and take pictures of the event or tour and send them to the Nugget for publication.

Make the Club work attend an Event or Tour in the near future, see page 17 for the Club Clendar

Ted Atlee called George Neidel to inform him of the passing of Dick Johnson on April 8th in Yuba City CA. Dick was the father of Johnny Johnson, Time Trialer, GGR Member, and Farther-in-law of Sandi Candlin Johnson past president of GGR.

In Memory Of Tom Poole
August 25, 1961 – April 27, 1995

On Thursday, April 27 at 7 PM, Redwood Region member Tom Poole passed away from a stroke. Tom was a past-president of Redwood Region and spent many years devoted to PCA. Tom’s main interests were in autocrossing and time trialing. In honor of Tom, the Porsche Club will be planting a grove of shade trees at Thunderhill Raceway in Willows. This tribute will be a living remembrance of Tom’s dedication to his family, friends, and love of racing. The planting will take place during the Labor Day time trial at Thunderhill. If you would like to make a contribution to this fund, please make checks payable to Zone 7 and send to Tom Provadi, 1339 Glen Dell Drive, San Jose, CA 95125.

Porsche Club of America
I told you April was going to be great. 80 plus at the Autocross. 107 at Thunderhill, 24 GGR'ers enjoyed CRAB and 24 for Diane's Cinco De Mayo dinner and an estimated 3,000 for the Automotion Swap Meet.

Herbie got to be guest of honor at the Automotion Swap Meet and Concours since General Manager Gabe Szalay placed him right next to the front door. Also on display was the beautiful CrossCraft 911 RS and the Reitmeir's 993 and 944. With 10 perfect examples of Dr Po.rsche's creation competing in the Concours and nearly a full house in the swap stalls, it was a wonderful day. Even the showers had the good manners to wait until the judging was done and the trophies awarded before making an appearance.

I am very pleased to report that the rumors are true. CRAB is back. Tim and Sue Flemming put on a CRAB to warm the cockles of this old CRABBER'S heart. Everything and I do mean Everything was perfect. Although there was only 24 of us, not the 100 I wanted, we made up in noise the numbers we lacked each time a fellow GGR'er received one of the unique CRAB trophies. We had the opportunity to cheer a lot as once again we walked (drove actually) away with more than our fair share of awards. Diane's dinner was a lot of fun and has added the Amigo brothers (Uno, Dos, Tres and Quatro) to our vocabulary. The Time Trial did have some light showers, but Chairman Lloyd DeMartini pulled off another wonderful event in spite of a concerted effort to repave the track with oil/antifreeze/mud/etc...... A really fun Autocross and a well attended Friday Night Social rounded out a really outstanding month.

I'm sure I'll have some great reports for May as well but let's take a look at June. We start off with an Adopt-a-Highway and Spur-of-the-Moment tour on the 3rd. A Friday Night Social on the 9th and then Laguna Seca on the 10th and 11th. This will be our only visit to paradise this year so please stop down and see what this Time Trial stuff is all about. CAUTION: Time Trialing can be hazardous to your wallet, but your smile muscles will thank you forever. Then Rob Neidel's fun day with the Go-Carts on the 17th, Our Zone Autocross at Candlestick on the 18th and the combined Photo Day/Autocross and Chocolate Day on the 24th. I never thought I'd be looking forward to Parade so I could get a little rest but that is just what's happening.

I hate to end this on a sad note, but Porsche Club lost a very valuable addition last month. Tom Poole, Last Years Redwood Region President and a very dear friend to Diane and I, left us at the end of April. We knew Tom casually from the Time Trial Series, but he and Charlie and Snookie Arolla joined us for the Cincinatti experiment two years ago. The experiment was: could five people in three vehicles go to a Parade, a two day Drivers event at Mid-Ohio and a two day PCA Club Race and return home in a space of three weeks and not kill each other? The experiment was a total success and we not only returned, we returned close friends. Tom was 33 and in excellent health. He suffered a massive stroke while playing softball and was gone. At the memorial service the minister asked if everyone had told the ones we love how we felt about them today? Since you just never know, it's a good habit to get into. Diane and I have.

See You Out There........
Travling To Parade 95

The members listed below have sent me their names to put in the Nugget. They are looking for company going to and from the 1995 Porsche Parade in Portland.

Call the members listed below:

Ron Halfhill
Oakland CA.

Horace Searcie
Diablo Region
510-613-2228 Days
510-351-5440 Eves.

If you plan to drive to Parade, the best way to travel is in a small group and with your CB. This way, you can talk to the other drivers, comment on the drive, talk about other people, etc. Also if you have the misfortune to break down, you have someone to help.

If you are planning to attend, drop me a note and I will add you to the list.

SO YOU WANT TO GO AUTO-CROSSING?

You may recall the article I wrote for the February issue regarding time trialing. Well, I thought I'd give the auto-xer's equal time. If you missed that February issue, please check it out. Those who now are asking me about getting into the next Time Trial should especially read it. Yes, it is true, we do average one totaled Porsche at each time trial.

Auto-xing is in many ways similar to time trialing, but it's been a long long time since we damaged any cars at an auto-x. The major similarities are:

YOU NEED A PORSCHE
YOU GET TO GO FAST
STICKY TIRES ARE BETTER THAN SEARS BEST RADIALS
YOU WILL HAVE LOTS OF FUN
YOU COULD BECOME ADDICTED
YOU WILL MEET LOTS OF GREAT PEOPLE

Most of the first timers, and even some of the old timers, get by with only the entry fee, borrow a loaner helmet, and have just as much fun as everyone else.

All you really need is a Porsche and the desire to drive that funny little German car as fast as it can go. Oh yeah, and don’t hit any of those orange cones.

Another freebie at auto-x's is instructors. Some of these guys and gals have so much experience that to not take advantage of their help would be, to say the least, stupid. Someone like a Terry or Judy Zaccone could not only tell you more about auto-xing in a 50 second run, but also enlighten you on the wonderful world of PCA friendship. The best thing about auto-xing is the chance for all to get involved into a common arena of the love of driving the world's best car, Porsche.

Check out the calendar in here for dates, times and places of up-coming auto-x's. They're a blast !!!

Bill Newlin
PCA-GGR Chief Time Trial Instructor

P.S. By the way, if you think auto-xing is kids' stuff, think again. The best auto-xer's are by far and above, the best road racers too! The skills you can acquire at an auto-x are worth their weight in gold.

Porsche Club of America 9
The Rumor Mill
By Diane Kimes

We left off last month in relatively heavy downpour in Yosemite. Did it put a damper on things? I don’t think so... If there is one definite in this world, when you get Porsche nuts together, the outcome is always something to write home about. Not only did dawn arrive after a splendid dinner, but Mother Nature decided to play too! This year was particularly delightful as we got the opportunity to stroll through the wonders of nature in the bright sunshine CARRYING our jackets.

Have you heard the phrase “all or nothing?” While this column never knows nothing (we can always make things up), I’m happy to report with all of the various happenings I have decided to this month hand out some RUFUS AWARDS. To be eligible, all one needed to do was display the awesome intelligence of David’s dog Rufus. For those that haven’t had the pleasure, David likes to refer to him as the BIG dog who has an IQ slightly lower than the majority of rocks in our back yard!

Honorable Mentions:

“Guess that’s not the fastest line through Turn 1.” By MARK WINTERS (made while removing a TON OF MUD from his car)

“Thought I’d keep pace with Mark.” By LARRY SHARP (in response to why he didn’t make the turn either)

“You have to keep up with the competition.” By the other TWO Drivers. (those BP guys sure do stick together, even off the track)

“We didn’t have time to finish so I’m guessing.” By TOM PROVASI (sitting on the ground madly trying to come up with good responses for the blanks on his Walking Tour sheet, unaware that the correct answers were posted on a tree right in front of him)

“That car cleaner we won last night works real good.” By DAVE MCGUIGAN (in response to why it took him so long to complete his first rallye)

“I thought it was strange that everybody was coming and going, but Dave didn’t seem concerned.” By HELEN MCGUIGAN (while she waited in the car at checkpoint #1 for their “out” time, unaware that there was a different “out” location)

“We’re at lucky table 13, right by the food.” By MARLIN NEUFELD (during the social hour at CRAB before dinner)

“Right behind those of us that followed Marlin.” By CARRIE DRAKE BERNIE NIZNIK (in response to where the line for seconds started or yes we are last)

“No problem, Tres Amigos can make Cinco de Mayo, on the 29th.” By D.E.K (This is probably why Rufus is part of OUR family, I can’t believe I didn’t even ask who they were)

And the RUFUS is......

“I like to keep my options open.” By GARY JONES (in response to why he doesn’t wear his wedding ring, I should note that his wife was sitting right beside him!)

See you next month....................

As we look toward the future...

remember to visit us for your present needs

- routine maintenance and service on all Porsche models

TALES FROM CINCO de MAYO
by James & Jean Ohl

Not that GGR is competitive, but we scored another first place last month. GGR celebrated Cinco de Mayo on April 29th, almost one week early, thereby becoming the first of the 1995 Cinco de Mayo celebrations. 25 members of GGR, including the Wallaces, Seidels, assorted Neidels — George, Shirley, Rob, and Karen with Jim Biesemeyer -- most of the Nugget mailing crew (Dunwoodies, Yeartons, and Norwoods with daughter Claudia), and last year’s Time Trial Chairman Ken Mack and his wife Linda. The newest GGR members were Len and Pat Herman, who recently transferred into GGR from the Riesentoter Region. Everyone enjoyed quite an evening at Pedro’s Restaurant & Cantina in Santa Clara.

In addition to the excellent food and companionship, Diane Kimes devised a “99.9% Quality Level Trivia” game with small prizes for all contestants. Tell me, did YOU know that at a quality level of 99.9%, over 5.5 million cases of flat soda pop would be produced each year in America? And, at this same quality level, 22,000 checks will be deducted from the wrong bank accounts in the next hour?

But, the real evening’s entertainment was provided by “Tres Amigos”, an “authentic” Mariachi band, i.e., David “El Presidente” Kimes and his guitar. David volunteered several members of his captive (we closed the doors so as to not offend any of the other restaurant patrons) audience, who gamely assisted him in performing a classic Mexican folk song. I’m not sure which was worse, their singing or David’s accent. All in all, it was classic entertainment and enjoyed by both participants and audience. Thanks Diane for a fun filled evening! And, by the way, did you know that almost 2.5 million books will be shipped with the wrong covers in the next twelve months?
A VIEW FROM THE MIDWAY

There were 115 drivers that signed up and 112 came to drive Thunder Hill over Easter weekend. Each time we go, they have made more improvements; improved parking and a new fence separating the pregrid from the paddock.

Oil spills seemed to be the order of the day, and it seemed like the Safety Crew was always cleaning up oil.

This track is more forgiving than others as the drivers have plenty of room to run off without hitting anything; but, watch out for the MUD!!! Ask Mark Winter who needed to give his car a bath at the track. Three others followed him, but did not need quite as much clean up.

Being Easter, there was an Easter egg hunt planned on the hill behind the paddock, but the muck kept us in the area around motor homes and trailers. Saturday was windy and cold, so the egg coloring for the kids and making surprises for adults was done in the Neidel motor home. Thanks Robin, Jane, and Michelle for your assistance. Before even going to the track, Sharon and Rob colored 12 dozen eggs for the kids to assemble surprises for the drivers. THANKS!!!

In the morning, the Little Easter Bunnies went to as many cars as they could find and left a package for the drivers. Again, thanks to Dave and Jane Croom for the $$$ assistance to make this an Easter everyone could enjoy.

Next time is Laguna Seca, and, hopefully, the weather will be a little better. If you are not signed up to drive, come out anyway; as it is really fun to see your fellow PCA'ers enjoying the chance to drive the cars that have brought all of us together.

KC and Larry had bowls of Chili, Hot Pretzels, plenty of liquid refreshments, fun and games at Thunder Hill; and, I'm sure they have a lot more planned for Laguna.

See you there.

Mark your calendar to attend the First Joint LPR/GGR Family Picnic on Saturday July 15th. There will be lots of food, drinks, and games. It should be fun for the whole family. Watch your July Nugget for details. I'd like to see a big GGR turnout.

Sharon Neidel

Memo from the Membership Director

By Dave McGuigan

It was great to see some of our newer members come out to Oakland Coliseum for Autocross #2! Congratulations to Ehab Aljandali, Fred Campbell, Bill Fergus (just transferred from Monterey region), Steve Kuhn (new dual member), Ken Masuda (told ya he was getting hooked), and Jerry Povse for coming out and giving it a try. They looked like they were all having a good time. A special thank you to Bill Newlin for setting up a great course.

On the weekend of April 21-23, Helen and I attended CRAB 23, hosted by Sacramento Valley Region. To the 1,083 of you from GGR who didn’t go, all I can say is you missed a really fun time! The weekend started with a great welcoming party. The folks from SVR had registration really well organized.

We got up early Saturday morning for the autocross, chaired by Masuo Robinson. Even though Masuo is in the same class as me, and he always beats my best times by a bunch, I must admit he laid out one of the most fun autocross courses I have ever driven. After that was the “Cop Khana”. Now I have enough trouble parallel parking as it is, but with Helen working the pedals while holding a basketball out the window and me steering and shifting from the other side of the car... I’m just glad no one got that on video!

Saturday afternoon, we did the walking tour of the downtown mall and, in the evening, the awards banquet and crab dinner. GGR certainly brought home their share of the driving awards.

Sunday morning, it was time for us to try our hand at rallye. It was the first real rallye either Helen or I had been on, and we really have a lot to learn! Yes, the directions were in English, but it was a dialect we’d never seen before. At the first checkpoint, we got a slip of paper with our “in time” and a new “out time”. We had over a half-hour before the out time, so I found a shady parking spot and we tried to make heads or tails out of the route instructions. After we got tired doing that, I thought I’d try out the jug of “Showroom Detailer” I won as a door prize the night before, and started polishing the car. We noticed everyone else was leaving and figured we must have been given some kind of penalty for arriving too early at the checkpoint. When everyone was gone I thought I’d better check that we were still in the right place. I was told, “No, you’ve got about a 20 mile drive to where you start the next leg.” Well, at least the car looked good when we got to the finish!

The weekend wrapped up with the concours judging and the beer and bratwurst party and more awards. All in all, it was a terrific Porsche weekend, hosted by our SVR friends.

Please join me in welcoming our newest members:

Board Meeting Minutes
April 12, 1995
Shakey's Restaurant,
Sunnyvale.

Meeting called to order at 8:17 PM. All Board members were present except Curtis Robertson and Chet Martin. Guests: Jim Biesemeyer, Karen Neidel, Lisa & Edmund Fanslan, Bob Norwood, Jim & Linda La Marre and family, Diane Kimes, and Carolyn Lusk. Carolyn Lusk agreed to take the minutes since the region is temporarily without a Secretary. The minutes of the March 21 meeting were amended to indicated that Jean Ohl had been in attendance at the meeting and to fix a typo in the first sentence of the Postmortem of Event section to read “Friday night social had 16 in attendance.” Minutes approved as amended. Pattie De Martini has resigned as the Secretary of GGR for medical reasons. David lauded her contributions in the position since the beginning of 1994. Chet has been directed to place an ad in the Nugget for volunteers to fill the position for the rest of the 1995 term. David pointed out that Pattie is also the GGR historian.

POSTMORTEM OF EVENTS: The Adopt-A-Highway event held 3/25 had 4 people present; they finished in 2 hours. Autocross #2 on 4/2 at Oakland Coliseum was an excellent event attended by 80+ drivers. Participants complemented Bill Newlin for his course design.

DIRECTOR REPORTS:
President: Letter from Automobile Atlanta re: free 914 tech sessions. Advertisement for 10th San Lorenzo Valley concours in Latrell. Zone concours to be held at SVR. Highlights of minutes of Tucson national board meeting. GGR invited to Concours Italiana at Pebble Beach, Concours Italiana added to events roster. It’s for vintage European cars; David to contact Dick Cottrell about cars to invite. Tickets $30 for admission, entry is $55 and get 2 tickets.

Vice President: Reviewed calendar; insurance ordered for all upcoming events.

Secretary: No report.

Social Director: Presented budgets for Photo Tour BBQ at De Martini's and SpielTag. Budgets approved. LPR / GGR picnic to be held at Sierra Park in Sunnyvale.

Competition Director: Curtis sent Bill Lusk a list of issues. (1) addition of 2 time trial entries as door prizes for the Zone 7 Autocross School (2) Motion to provide the trailer to LPR for the Zone 7 Autocross School carried. (3) Motion carried to stipulate in writing the conditions for use of the trailer and equipment and stating same must be returned in condition provided. (4) Motion carried that trailer and equipment be loaned to other regions providing a written plan for pickup and return is submitted to the Competition Director 10 days prior to the event. (5) Curtis needs to find someone to write a general description of what goes on at an autocross, what you need to bring, being prepared to work, and the like. Sharon said she might have an old version Curtis could use as a basis.

Membership Director: The current membership is 1093. The phone tree worked; got 3 new people to the recent autocross. Will have a table at the Automation swap meet to hand out GGR information and need help.

Treasurer: Written report reviewed and approved.

Nugget Editor: Working on May issue as we speak; needs articles.

Past President: No report.
